Oh Little Town Of Bethlehem [G]

[Default Arrangement] by Nancy R. (Gordon) Nesbitt and Lewis Henry Redner

V1, V2, V3

Verse 1

```
   G              C
Oh little town of Bethlehem
    G        D        G
How still we see thee lie
E                   Am
Above the dark and dreamless sleep
    G      D        G
The silent stars go by
    Em                  B
Yet in thy dark streets shineth
    C           B
The everlasting light
    G         G7       C
The hopes and fears of all the years
    G      D      G
Are met in thee tonight
```

Verse 2

```
    G              C
How silently, how silently,
    G        D       G
The wondrous gift is given;
   E              Am
So God imparts to human hearts
    G         D      G
The blessings of His Heaven.
   Em               B
No ear may hear His coming,
    C                B
But in this world of sin,
      G          G7     C
Where meek souls will receive Him still,
    G           D      G
The dear Christ enters in.
```

Verse 3

```
O holy Child of Bethlehem
Descend to us, we pray
Cast out our sin and enter in
Be born to us today
We hear the Christmas angels
The great glad tidings tell
O come to us, abide with us
Our Lord Emmanuel
O come to us, abide with us
Our Lord Emmanuel
```

Jesus faithful is your name, and true
      Em                G
So until the sun does rise
          C                 D
Till your trumpets rend the skies
        Em                 G       C   D
Help us keep our restless eyes on you
